

Conference

A Christian Response to Climate Change

Saturday, 5th December 2015 – 9:15am to 10pm
St Michael's Church, 5 rue d'Aguesseau, 75008 Paris
(Metro Concorde and Madeleine)

The morning and afternoon will feature over 10 international speakers from the NGO, academic and theological worlds who will cover various aspects of an Evangelical Christian response to climate change issues through talks and workshops. The evening conference will include two speakers: Dr Katharine Hayhoe, Director of the Climate Science Center, Texas Tech University and Bishop Efraim Tendero, Secretary General, World Evangelical Alliance.

The talks will be in either French or English and there will be simultaneous translation.

Places and translation headsets are limited – online pre-registration is strongly recommended.
